The marketing program at Georgia Southern University offers a four-year bachelor's degree with three separate specializations targeting major marketing sectors to allow students to focus on a career path best suited to their interests.

**BBA in Marketing**

The Bachelor of Business Administration (BBA) in marketing involves a comprehensive study of the concepts, techniques, and tools for developing marketing strategies and programs. Students are prepared to help organizations decide which consumer groups to serve and which product and services to produce, and to set appropriate levels of promotional effort, pricing, and other considerations in generating sales.
